DETAILED ACTION

The response to the Requirement of Information under 37 CFR 1.105 of June 1, 2005 is hereby acknowledged and entered.

Reasons for Allowance

The following is an Examiner's statement of reasons for allowance: the specification provides a complete botanical description of the claimed plant. The completeness of the description is sufficient to distinguish this new plant from the prior art. Also, Applicant has submitted a response of the 37 CFR 1.105 requirement made in the Office action dated June 6, 2001. In the response dated June 1, 2005, Applicant maintains the claimed plant, 'Poulymp', had no earlier sales of the plant a year prior to the filing date of the application dated June 30, 2000. Applicant asserts the claimed rose plant, 'Poulymp,' was accessible to the public for the first time on May 1, 2001.

Any comments considered necessary by Applicant must be submitted no later than the payment of the issue fee and to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
